

DATA BREACH RESPONSE PLAN

Company Name: [INSERT COMPANY NAME]

Document Version: 1.0 | Date: June 2026

1. **PURPOSE:** This plan outlines the procedure for responding to a personal data breach as required by the Botswana Data Protection Act 2024.

2. **72-HOUR RESPONSE WORKFLOW:**

- **[0-24 Hours] DETECTION & CONTAINMENT:** Identify the breach source and isolate affected systems (e.g., change passwords, disconnect affected servers).
- **[24-48 Hours] ASSESSMENT:** Determine the category of personal data breached and the number of data subjects affected.
- **[48-72 Hours] REPORTING:** Complete the "Notice of Breach" form and submit it to the Information and Data Protection Commission.

3. **INCIDENT RESPONSE TEAM (IRT):**

- **Team Lead:** [Name/Role]
- **IT/Security:** [Name/Role]
- **Legal/Compliance:** [Name/Role]

4. **NOTIFICATION LOG (For Auditor Inspection):**

Date/Time	Action Taken	Personnel

5. **DECLARATION:** We acknowledge our duty under Section 62 of the DPA to report breaches without delay.
